PO BOX 29011, KAMPALA

TERM 2 JULY 2025 UPDATE.

cleared from the donated funds. We recieved an authorization report and hope to start construction at the beginning of September 2025.

Volunteer Impact.

We were honoured to host 3 volunteers from the University of St. Andrews – Callum Nelson, Leonie Grosse Osterdahl and Alexandra Hagleitner Vazquez. Their contribution towards supporting Special needs children in the classroom was invaluable. They taught children skills which included ballet dancing, Female football, swimming techniques, bracelet making giving them career guidance on top of supporting them in their classroom work. Their presence brought joy, energy and inspiration to both the pupils and staff.

We also had a very successful Eye Camp in May 2025 where over 100 people received treatment. We are grateful to Dr. Steve Code and his team from Canada who made this community outreach possible and the donation of Eye glasses to all who needed them.

Sensory Toys and gadgets purchased from the donated funds

KINGS' NORTON FOUNDATION UGANDA. (KNFU)

NEWS LETTER UPDATE – JUNE 2025.

Dear Friends,

Greetings from Kings' Norton Foundation Uganda. We begin this update by thanking God for how far he has brought us. The Lord has been faithful.

TERM 2 HIGHLIGHTS

Term 2 commenced on Monday 26th May 2025, with a commendable 99% pupil turn out. The few pupils that haven't reported are merely affected by relocation and health related challenges.

The term knocked off with a flurry of activities and these included:

- A Parents/Guardians meeting to strengthen School – Community collaboration.
- A life skills training program session to empower our pupils with personal development skills.
- Preparation for Sports Day which is scheduled for Saturday 2nd August 2025.

Appreciation to the Board of Kings' Norton Foundation Uganda

We extend our heartfelt appreciation to the Board of Friends of KNFU for your unwavering prayers and support. Through your recent generous donation of Ugandan shillings. 9,064,414. we have been able to:

- * Procure sensory devices and gadgets for our special needs learners i.e. Textured balls, Twisty loops, Magnetic bead maze boards, building blocks, Magnetic round blocks, Long puffer balls with hair, Wooden balance scales, colour clay set, Balls, play doughs, slime, sensory wall panels, glitter jars, kinetic sand, talking toys, scratch and sniff sensory boards, Bubble gun, puzzles, writing pads, resistance tunnels, , rain sticks and a bouncing castle.
- * Procure school requirements and personal essentials for Sauda Najjinda, one of pupils supported by our board members Phil and Ann Simpson.
- * Pay Town Council construction tax, Health and National Environment Management Authority inspection Fees.
- * Salary for 2 teaching staff for the months of June, July and August 2025.
